Professional Summary

Customer Service Representative with hands-on experience supporting **U.S.-based residential (B2C) home phone (landline)** subscribers and B2B clients in high-volume contact-center environments. Skilled in troubleshooting service and billing issues, de-escalating frustrated customers, and delivering first-contact resolution while meeting quality and CSAT targets. Comfortable working independently in a fully remote setup, with strong English (C1) and a customer-first, problem-solving mindset.

Experience

Customer Service Representative

Jul 2025 – Oct 2025

Concentrix (Amazon Business Account)

Cairo, Egypt

- Managed a high volume of inquiries, resolving 90+ B2B issues per day across complex order and billing cases.
- Maintained a 95% Customer Satisfaction (CSAT) rating while consistently meeting internal quality and performance KPIs.
- Reduced complaint escalations by 15% via active listening and de-escalation, driving first-contact resolution.

Customer Service Representative – Home Phone

Dec 2024 – Jun 2025

Intelcia (Optimum Account, Home Phone Department)

Cairo, Egypt

- Delivered inbound B2C support for **U.S.-based residential Optimum home phone / landline** subscribers, handling activations, plan changes, billing questions, and service troubleshooting.
- Diagnosed and resolved landline connectivity, dial-tone, voicemail, and call-quality issues, walking customers through step-by-step fixes and escalating line faults when required.
- Resolved billing disputes and processed account updates accurately while following compliance guidelines.
- Applied empathy and de-escalation techniques to retain customers and protect satisfaction scores throughout a 7-month tenure.

Freelance Academic Writer

Aug 2022 – Oct 2023

Livingston Research

Remote

- Delivered high-quality, well-researched content, completing an average of 5 papers per month while adhering to strict guidelines and deadlines.

Junior Teaching Assistant

Jul 2021 – Sep 2021

Zewail City of Science and Technology

Giza, Egypt

- Provided one-on-one guidance to 40+ students, simplifying Python concepts and supporting a class-wide 10% increase in module completion rates.
